Subject: Fw: Confirming Conversation re: providing resident names to PADEP

Please see the email below. Tate Kunkle confirmed that the following HW #s from the Isotech Report are his clients, and it is ok to share their names with Scott Perry at PADEP.

HW1
HW2
HW4
HW5
HW6
HW8a
HW12
HW17
HW19 (owner is his client)

I am waiting to hear back from him about removing EPA's water buffalo from his client's property.

Hi Tate,
This is to confirm our conversation this morning, during which you stated that EPA could provide to PADEP the names of your clients who correspond to the well numbers in the Isotech report. Please let me know immediately if this is incorrect or not your understanding.
Thank you,
Humane
